YOU'RE IN

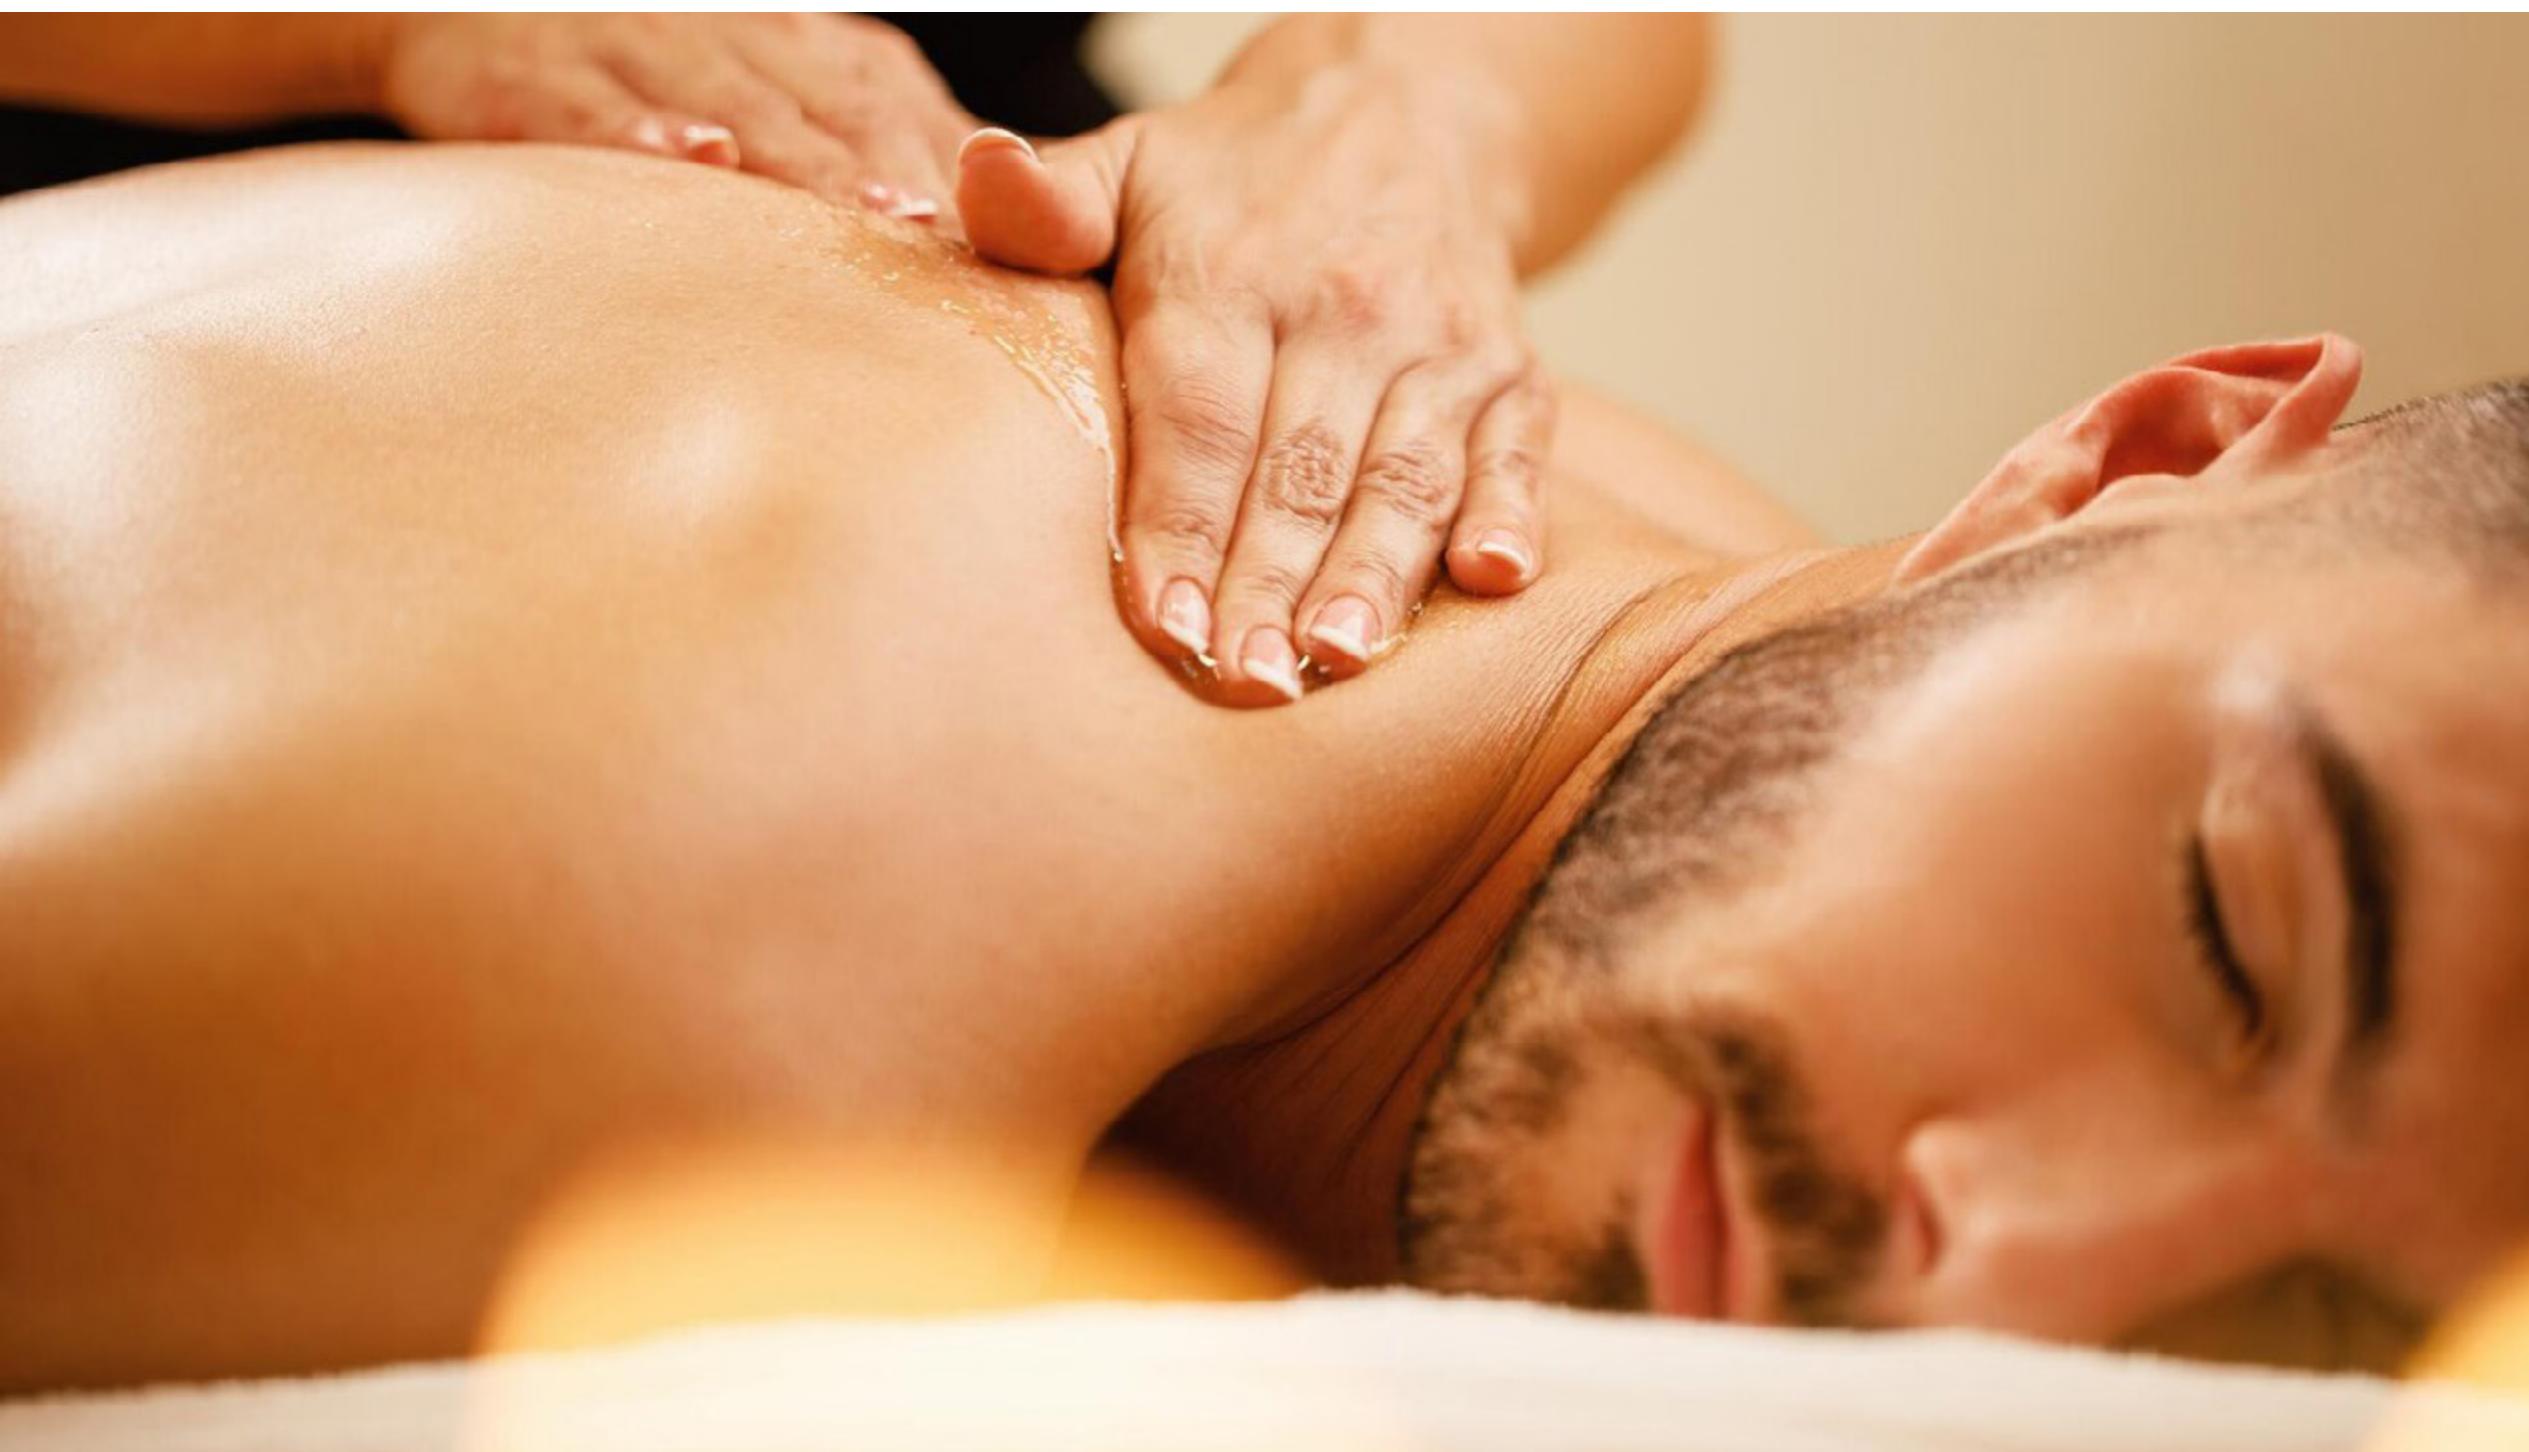

THE PHILOSOPHY

At Lasuran, we believe in the transformative power of relaxation and self-care. We are committed to providing a sanctuary where indulgence meets holistic wellness, offering bespoke treatments that rejuvenate the body, calm the mind, and uplift the spirit. Embrace tranquility and discover a journey to inner harmony with us.

THE MISSION

Our mission is to redefine the art of relaxation by delivering unparalleled luxury and personalized care to our guests.

Through expert treatments and exceptional service, we aim to inspire a profound sense of well-being and vitality in all who enter our doors.

LASURAN VALUES

Excellence

Upholding the highest standards of quality in every aspect of our spa experience, from treatments to customer service.

Wellness

Promoting holistic well-being by offering treatments that nurture both body and mind, fostering balance and rejuvenation.

Personalization

We tailor each guest's experience to their individual needs and preferences, ensuring a bespoke journey of relaxation and rejuvenation.

Sustainability

We are committed to environmental responsibility, using eco-friendly products and practices to minimize our footprint.

Innovation

Continuously seeking new ways to enhance our services and stay at the forefront of spa technology and trends.

Empowerment

We empower our guests to prioritize self-care and embrace a lifestyle of wellness through education and guidance from our knowledgeable staff.

VITALITY

THE LOCATION

Lasuran is strategically nestled in the heart of King Abdullah Financial District (KAFD) in Riyadh, offering a luxurious escape amidst the bustling cityscape. Surrounded by contemporary architecture and urban vitality, our location provides a serene retreat where guests can unwind and rejuvenate, conveniently accessible for both locals and visitors alike.

MASSAGE

Deep Tissue

Indulge in a unique experience that will grant you a wonderful sense of ultimate relaxation and tension relief. We follow a targeted massage approach, accurately identifying nerve points deep beneath the body's surface to address them, enhancing range of motion and flexibility.

Herbal Compress Massage

Revitalize your body and mind with an effective blend of refreshing herbs carefully placed inside soft muslin compress balls, steamed to perfection. Then, they're gently pressed onto your body in repetitive motions, bringing a delightful sense of mental calmness and muscle relaxation.

Swedish

Regain energy and vitality instantly and help your body restore its highest levels of renewed energy with a comprehensive therapeutic full-body massage that targets soft tissue muscles. What distinguishes Swedish massage is its balanced effect on the nervous system through a non-invasive technique that relies on tapping, pressure, and kneading to stimulate blood circulation, increase oxygen flow in the body, and alleviate the pain of cramps and muscle tension.

Bamboo Massage

Unleash your potential with a therapeutic massage aimed at enhancing overall health and natural immunity, aiding collagen production, and alleviating muscle pains. Within the massage materials lies a selected array of Japanese plants rich in numerous vitamins and minerals combination of a unique therapeutic massage we call "The Bamboo Fusion".

MASSAGE

Aromatherapy

Keep your body relaxed and balanced in beautiful harmony, shedding away stress and anxiety. Breathe deeply with our aromatic oil blend and indulge in a mesmerizing aromatherapy massage that will boost your energy, renew your vigor, and ease you into a deep, restful sleep.

Hot Stone Stone

Embark on a rejuvenating journey away from the daily hustle and bustle, as warm volcanic stones dissolve tension and induce complete relaxation, perfectly complemented by the latest professional massage techniques.

Relaxing

Enter an exclusive realm of relaxation and tranquility with a deep, seamless session from head to toe. Let your mind drift away from worries in an atmosphere filled with comfort and serenity, courtesy of our therapists' gentle, soothing movements.

Lumi Lumi

Experience a traditional Hawaiian practice that uses long flowing strokes to promote relaxation, improved circulation, and muscle relief. It is a holistic approach involving gentle to deep pressure, and providing a rejuvenating and balanced sensation.

Balinese

Try the magical blend of acupuncture, reflexology, and aromatherapy, along gentle strokes, to benefit a charming outcome which balances your body's energy, improves blood circulation, stimulates the nervous system, and boosts your overall well-being, leaving you refreshed and revitalized.

HAREM & HAMMAM

Ritual Bright Blue Rock

This unique royal ritual deeply indulges you from head to toe. Being in the chic mademoiselle / monsieur steam, wrapped in pure nila black soap to the rolling lufah exfoliation, and heading to Nila scrub and foam massage, followed blue mud leaving your skin bright and firm. Inhale the chic fragrance of hair and body mist while having the skin of light.

(Brightning)

Treatment includes scalp scrub, hair mask and face mask.

Ritual Essence of Coffee

From your morning cuppa to the spa, coffee is a potent ingredient for renewal and the star of our all-time-favourite hammam to wake-up glow. Revel in the refreshing vibe of coffee with this purifying treatment, designed to revitalise your skin. A light coffee bean exfoliation is followed by a coffee scrub, freshly prepared by a chocolate faom massage to a combination of coffee and choco mud wrap. the stimulating effects of caffeine improves blood circulation, while a luxurious application of hair and body crème leaves you soft, silky, and radiant from head to toe.

(Peeling + Firming)

Treatment includes scalp scrub, hair mask and face mask.

FACIAL TREATMENTS

Pigm 400 Treatment

Lessen pigmentation spots, via this complexion-evening treatment that is applied to prevent and reduce the visibility of pigmentation spots and uneven skin. The skin tone of your face and neck will look brighter and more even.

Energy Lift

Live the journey of smooth, toned and refined skin. Feel the innovation of exfoliation, reforming and lifting combined with massage techniques, that reduces wrinkles, firms up tissues and refines your skin.

Hydreclat Treatment

Experience the royal jelly effect with Hydreclat massage, which stimulates natural hydration mechanisms for a youthful, toned, and hydrated complexion. This treatment revitalizes your skin, enhancing its natural glow and leaving it deeply nourished and beautifully refreshed.

VIP O2 Treatment

Trigger your collagen production with the famous 3R cocktail included in an urban oxygenating skin treatment, designed especially to rejuvenate, restructure, and revitalize your stressed skin.

Rebalancing Treatment

Restore your unbalanced skin to its natural functioning mechanisms; a treatment that controls excess sebum on the skin's surface is applied to detoxify oily and acne-prone skin. Your skin is purified and unified, while pores are tightened.

Face Remodelling Face Treatment

Experience firmer skin, widened eyes, and a reshaped facial profile for a more youthful appearance, by utilizing the cutting-edge bio-electrotherapy technology, which can customize results to sculpt and enhance cheekbones and facial contours.

SIGNATURE TREATMENTS

Calm Down

This Anti-Crisis defense system treatment is designed to reduce irritation and combat redness, by deploying a blend of special ingredients along with cryo stick techniques, it calms and shields your skin, ensuring its equilibrium and well-being.

Build Up

Created to regenerate, revitalize, stimulate and energize the skin; an intensive treatment that activates collagen production through intra-epidermal micro-stimulation, helping combat premature signs of skin ageing.

Triple Lift

The ultimate solution for addressing sagging skin that lacks structure and tone, by effectively firming and toning the face, neck, and decollete areas, resulting in a redefined appearance with improved contours and firmness.

SIGNATURE TREATMENTS

The one and only PEAU

This revolutionary treatment marks 1st worldwide in professional aesthetics, created using an electro spun mask with 80% pharmaceutical grade hyaluronic acid, and specifically designed for skin affected by aging signs. Begin with three sessions per week, then transition to one session weekly.

The AUX

This transformative treatment works wonders on your skin, revitalizing and renewing it for a healthier look. It targets aging issues like wrinkles, fine lines, and dullness, revealing a more radiant and beautiful skin.

BODY TREATMENTS

New Skin

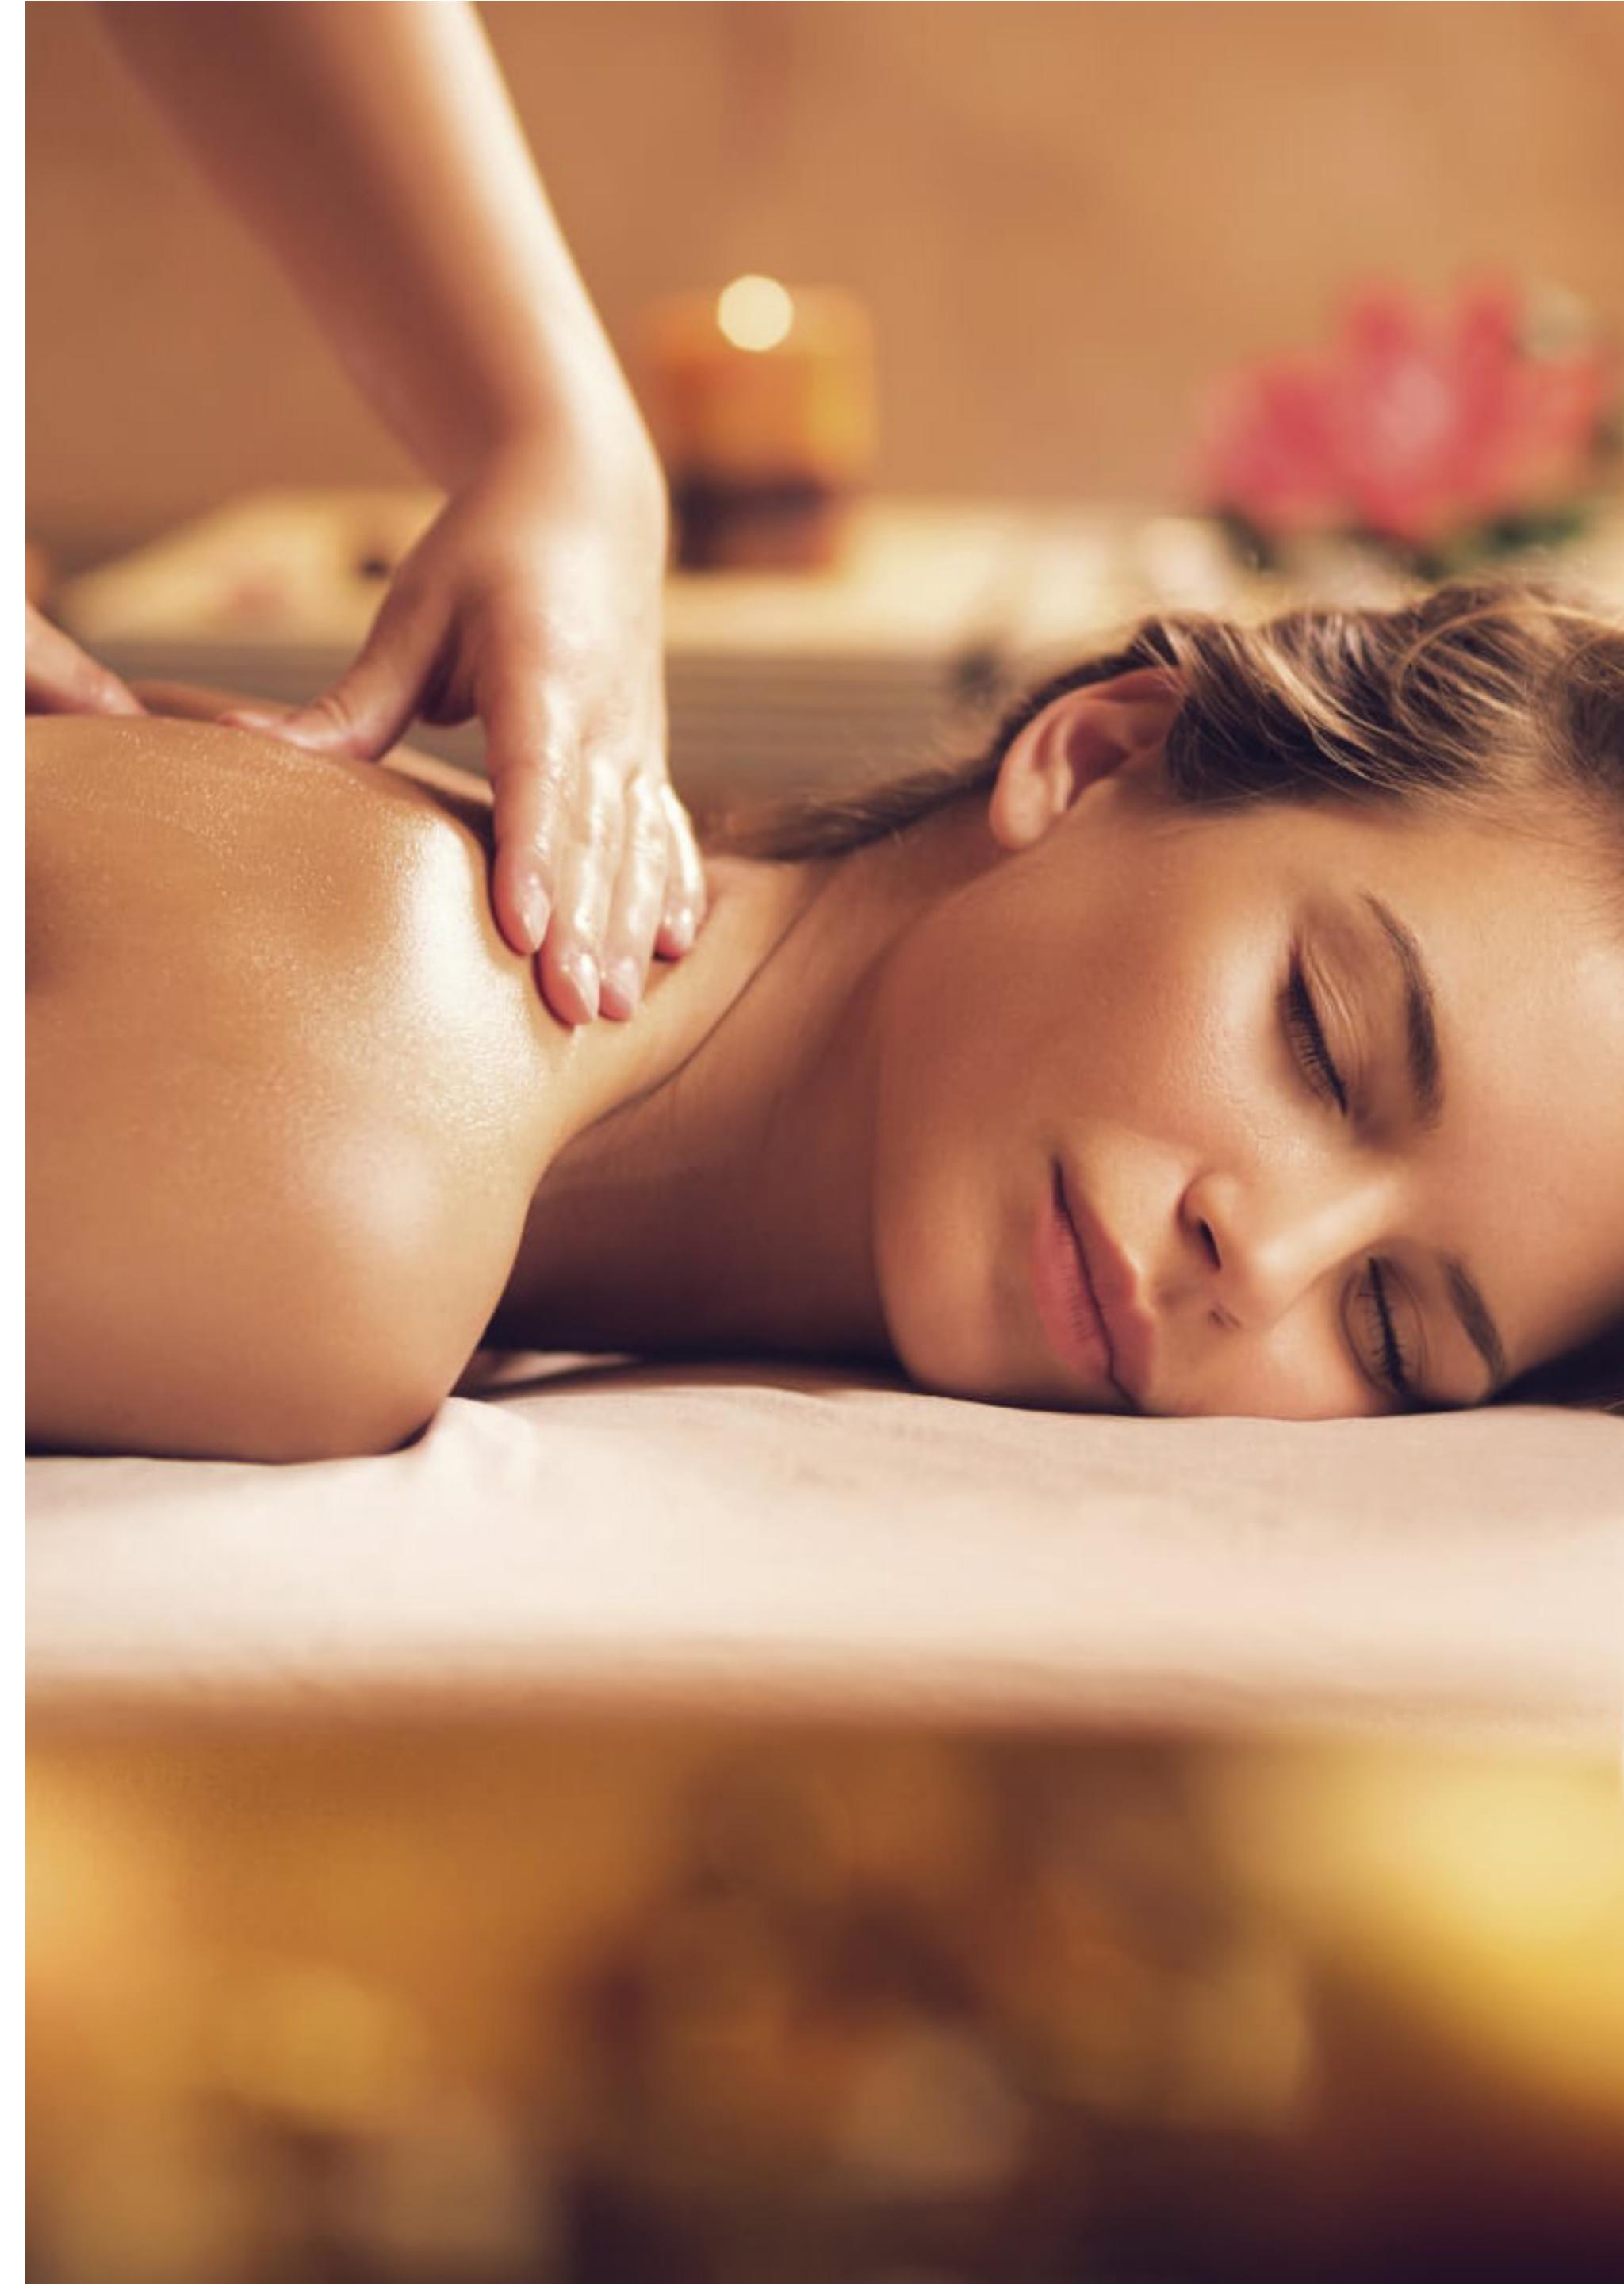

Achieve a renewed, moisturized, and healthy-looking skin by utilizing silicone gloves for full body exfoliation. This process helps eliminate impurities and dead skin cells, leaving your skin softer and more moisturized.

Detox Algae

This process is a purifying and detoxifying treatment, which promotes the elimination of toxins and helps improve microcirculation.

Body Lift

Transform your body to a redefined and resculpted shape, over this recommended treatment to counter the onset of skin ageing, sagging and body atony, by acting on all the imperfections caused by the natural ageing process and unhealthy lifestyle.

SPA ETIQUETTE

We prioritize creating a tranquil and respectful environment for all guests. Here are our spa etiquette guidelines:

Respectful Behavior: Please maintain a quiet demeanor to ensure a peaceful atmosphere for all guests.

Punctuality: Arrive on time for your appointment to fully enjoy your scheduled treatment.

Mobile Devices: Please silence your phone and refrain from using it during your time at the spa.

Hygiene: Prioritize personal cleanliness before using spa facilities and treatments.

By adhering to these guidelines, we ensure a harmonious and enjoyable experience for all our valued guests.
